George Ramirez led the meeting. He announced that our esteemed Chapter 190 President Tony Pizza passed away yesterday morning, April 17.

This is very sad news for our chapter: Tony was our president for 25 years. He was a great president and a good person whom we all loved. We will miss him being with us, especially his leadership, sociability, expert president's letter, and jokes.

George has agreed to step up to be president, pending the board meeting after this membership meeting.

The board meeting was convened

Immediately afterwards where we all agreed heartily to accept George Ramirez as president.

Carl Bailey, treasurer, said that we needed to replace the secretary because Tony was listed as secretary on our newsletter masthead. Carol Anne Moore agreed to be secretary.

Carl Bailey moved that George Ramirez be added as an additional signer to the chapter checking account with Open Air Federal Credit Union. After discussion, Motion carried.

Vic Johnson, newsletter editor, agreed to update our newsletter masthead.
